# CHEWING GUM REMOVER

Introducing Technician's Choice® TEC99415 Chewing Gum Remover...Freezes gum, wax and latex paint for easy removal. Use on carpets, upholstery, wood, vinyl, paint, cloth, plastic and most surfaces.

TEC99415 Chewing Gum Remover, quickly freezes chewing gum, candle wax, acrylic, latex paint splatters and other materials for easy removal from all hard surfaces. This product can also be used on wood, paint, plastic, vinyl and cloth.

**Directions:** Spray directly on chewing gum or candle wax until it is frozen hard. Then, chip off with a stick, spoon or knife. Use the same procedure for use on wood, latex, paint, cloth, carpeting and upholstery. Do not use on humans or animals. Skin contact may frostbite.
